INTEGRATING DUAL HIGHER EDUCATION IN MOLDOVA AND UKRAINE – COOPERA

- It is planned to update competencies, modernize learning outcomes, provide student-centered and blended learning, as well as the possibility of forming individual educational career trajectories of students and graduates in accordance with the basics of the Bologna process.
- At the moment, the modernization of the program has been started, but the educational component of the project has not been implemented yet - study visits and trainings for academic and administrative staff are still going on and due to the situation in Ukraine it's complicated to integrate DHE concept into practice.
