Key action 2: Cooperation for innovation and the exchange of good practices – Capacity Building in the field of Higher Education:

Reference nr.

617490-EPP-1-2020-1-MD-EPPKA2-CBHE-SP

Duration

15/01/2021 - 14/08/2024

GENERAL OBJECTIVE

Integrating DHE in the Partner countries in general, and to improve individual employability and development, increase suitability and continuity between the demands of the professional world and the initial training of university students, and achieve of greater economic efficiency and social integration, in particular

OBJECTIVES

- To identify needs and specific requirements of companies in different industrial sectors and businesses for DHE and to find companies willing to participate in pilot implementations of DHE during the project;
- To develop a flexible and generic DHEM to support different needs and interests of employers, HEIs and students in different industrial and business sectors and to provide recommendations to HEIs for implementation of DHE;
- To test the specific DHE models generated from the developed generic DHEM, by realizing their pilot implementations during the project and to analyze achieved results;
- To propose changes to legislation/regulations to adapt DHE in the Partner countries
